Dear Madam

## **A16 Footpath/Cycleway Closure**

We write to inform you that the Board are due to commence works to replace a drainage pipeline adjacent to the A16 at Wyberton. Anglian Water will also be carrying out work on the same site whilst this closure is in place.

The footway/cycleway will be closed between Tytton Lane East on the A16 and Causeway at Wyberton.

The footpath diversion route has been agreed with Lincolnshire Highways and will be as follows:

Travelling North – Causeway onto B1397 London Road and Tytton Lane East.  
Travelling South – Tytton Lane East onto B1397 London Road and Causeway.

This will be effective from Thursday 4<sup>th</sup> May for a period of four weeks.

We have enclosed a map showing the approved route for your information.

We would be grateful if you would make your pupils and staff aware of the footpath/cycleway closure at your earliest opportunity.

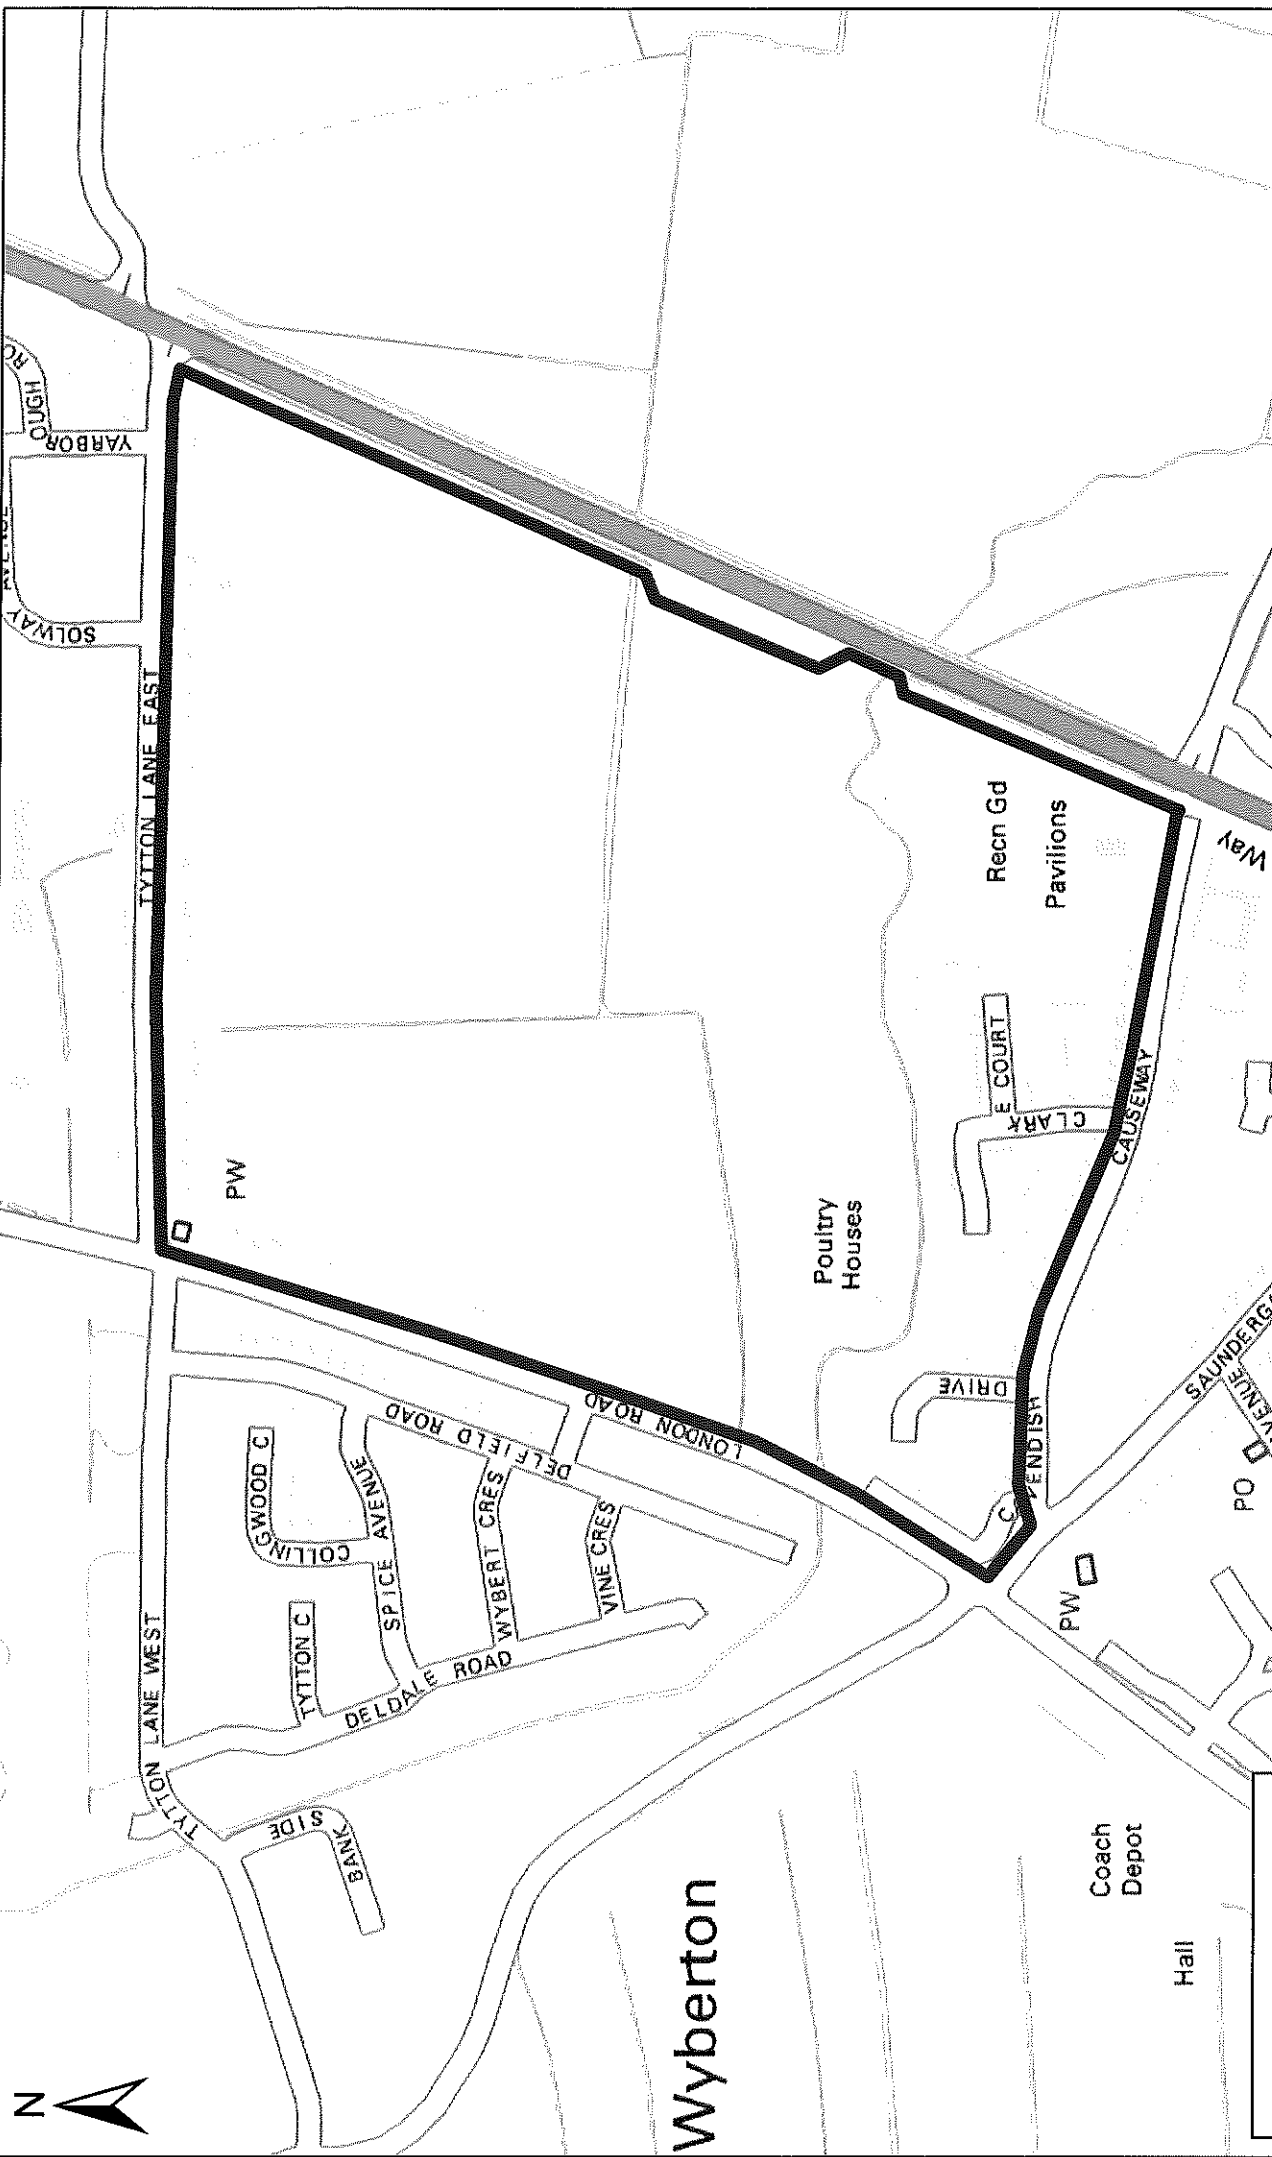

Signage will be in place indicating the routes to be taken.

Should you have any queries about this matter please do not hesitate to contact the Black Sluice office on 01205 821440.

Yours faithfully

Joe Mitchell  
Technical Engineer

Enc.

# Wyberton
